This modern, very sunny 2-bedroom ground floor corner garden apartment has the added benefit of being able to add a second bathroom and have an open planned kitchen / dining area if required. The property has a very large covered terrace providing an additional multi use space that leads onto a private tiled garden area which is just steps away from the swimming pool and attractive garden area. The larger than normal kitchen has a new oven, hob and extractor and has been fitted with extra cupboards and worktops. The good-sized bathroom has a window that provides additional light and air flow. The apartment has been owned since new by...(Ask for More Details!)
